Dear Parents and Carers,

### **General Data Protection Regulations (GDPR)**

Data Protection Law in the UK changed on the 25th May 2018 and changed how data that identifies an individual is held by organisations in the UK. GDPR gives individuals rights to the data that is held about them. Please take the time to watch this YouTube video as it will explain GDPR and the impact it has on schools.

Please also visit our website on [www.brookinfant.school/general-data-protection-regulation-gdpr](http://www.brookinfant.school/general-data-protection-regulation-gdpr) to see our policies and procedure which support our implementation of GDPR. In particular, please read the Privacy Notice for Pupils as this will tell you how and why we process data at Brook Infant School.

If you have any questions please contact Jo Sutton, Data Protection Officer and Business Manager on [sbm@brookinfant.school](mailto:sbm@brookinfant.school).

Many thanks

*Sarah Cox*
